

27 July 2006

West Coast Pavingstone
238 South Orange Avenue, Suite 205
Brea, California 92821

Attention: David J. Abeyta

We want to thank you for the work you did on our patio. We are extremely pleased with the finished product and appreciate your assistance in the design. The precision, performance and workmanship of the crew were amazing and we wish to thank them also. It is such a pleasure to look out our patio door and see the beauty of the completed project.

Again, thank you for everything.

Joe and Dec
