

West Coast Pavingstone:

I would like to take this opportunity to express my thanks for the fantastic job your company and work crew did on my driveway.

The job was started on time and finished even sooner than I expected was possible. The work crew was very hard working and professional. Even several of my neighbors commented on how hard they worked and the quality of their work.

I even made a few changes after the fact and my wishes were complied with, without any complaining. The crew also did a nice job cleaning up after the job. The office staff was in constant contact with me to make sure I was happy with the job.

I have gotten many compliments on my new driveway and walkway.

I would most definitely recommend your company to anyone considering a pavingstone installation. The price and quality of work was outstanding as well!!!!

Thank you so much for a job well done.
